

United Way of Northern Nevada and the Sierra

Since 1942, United Way of Northern Nevada and the Sierra (UWNNS) has invested in our 13-county region by bringing people together to give, advocate, and volunteer.

Our mission is to link the community's will and resources to improve lives. UWNNS believes that when the community comes together and puts our resources to work, we can solve our most pressing issues and create opportunities for a better life for all.

UWNNS's signature focus is improving early literacy and making sure children develop strong reading skills needed for lifelong learning and success.
