

HOW TO JOIN THE UNITE NEVADA NETWORK:

THE PROCESS

ATTEND A COMMUNITY STRATEGY SESSION

Attend a community strategy session with your fellow community partners to learn how the network and Unite Us Platform can fit into your team's work and participate in a community-wide discussion. These meetings shape network implementation and are often planned with a small focus group

ATTEND WORKFLOW PLANNING MEETINGS

These optional meetings ensure you're set up for success once the network launches. Participate in one-on-one phone calls or in-person sessions with our team to talk through your referral workflows and determine what participation can look like at your organization.

SUBMIT PARTNER REGISTRATION FORM

Unite Us will send the Partner Registration Form to your organization to collect details about programs that will receive referrals and their eligibility requirements and to identify staff members that will use the platform.

ATTEND SOFTWARE TRAINING

Unite Us will send invitations to in-person, virtual, or self-paced software trainings. Our team will guide you through the registration and training process.

LAUNCH

Once the network launches, you can log in, use the network to coordinate care in your community, and begin tracking outcomes for your clients. Unite Us will provide ongoing software training webinars and live user support. You're now officially onboarded!

ABOUT UNITE NEVADA

Unite Nevada is a coordinated care network of health and social care providers. Partners in the network are connected through a shared technology platform, Unite Us, which enables them to send and receive electronic referrals, address people's social needs, and improve health across communities.
