Empower Financial Resiliency for Nevadans

- Did you know...
 - 439,600 Nevadans live in poverty
 - 62,800 Nevadans were reduced to poverty in 2022

Taking Action Together!

Opportunity Alliance Nevada brings together resources and people from diverse socio-economic backgrounds to investigate and understand the barriers faced by struggling low-to-moderate income Nevadans and provide pathways to self-sufficiency. We accomplish this through Training, Financial Coaching, Mentorship, Advocacy, Partnerships and Collaborations.

VOLUNTEERS NEEDED

Volunteer Financial Navigators

Our Financial Navigators are not required to be licensed professionals, they are caring neighbors from diverse backgrounds willing and ready to help Nevadans during this time of recovery from the pandemic. Virtual individual training is provided. The schedule is flexible to meet your needs.

Volunteer Resource Navigators

Resource Navigators assist Nevadans living in the "tyranny of the moment" who need the most basic services (housing, food, clothing, childcare, etc.). Navigators utilize our direct referral platform to connect clients with community-based organizations and assist in finding optional resources. Virtual individual training is provided. Flexible schedule .

Volunteer EmpowerNV Allies

Allies make an intentional friendship with an individual/family in poverty and join them in their quest to have a support system in our community. Allies support graduate Champions as they work on their SMART goals and future stories. Allies and Champions meet in-person monthly at the Champion Alumni meetings.
