

Empower Financial Resiliency for Nevadans

- Did you know 448,066 Nevadans live in poverty?
- That's a rate of 12.5%

Taking Action Together!

Opportunity Alliance Nevada brings together resources and people from diverse socio-economic backgrounds to investigate and understand the barriers faced by struggling low-to-moderate income Nevadans and provide pathways to self-sufficiency. We accomplish this through Training, Financial Coaching, Mentorship, Advocacy, Partnerships and Collaborations.

Bridges to a Thriving Nevada

Bridges Out of Poverty training opens conversation with service providers and businesses whose daily work connects them with the lives of people in poverty. Getting Ahead in a Just-Gettin'-By World™ puts concepts, tools, and relationships in the hands of people in poverty to make a difference in their own lives and in the life of their community

Financial Navigator Program

Navigators work directly with Nevadans, FREE of cost, to craft a personalized Savings and Spending Plan to better understand that household budget. The Financial Navigator is then able to make meaningful referrals for each client to improve their personal stability.

EmpowerNV Program

EmpowerNV intentionally collaborates and builds relationships with partner organizations statewide by incorporating the Financial Navigator and the Getting Ahead in a Just Gettin' by World for partner clients and Bridges Out of Poverty trainings for partner staff, into a comprehensive offering as a community service.
